Happy Holidays Mesa Chamber

The holidays are a very special time of year. With the spirit of helping those in need, we know that both individuals and businesses look for ways to engage in their community and make an impact with those less fortunate. The Chamber wants to help make that easier for everyone. Thus, the fifth edition of our *Annual Giving Catalog*.

In this catalog you will find profiles for the many diverse non-profits that are members of the Mesa Chamber. Those profiles include information regarding their needs (not just financial), but volunteer as well as products and services. Here, you can learn more about each of the non-profits that engage in their Chamber membership.

We'd like to encourage you to engage with one or more of these organizations this holiday season. We'd also like to ask you to share that engagement with us through pictures, posts and places such as your own websites, social media and email newsletters. You can tag your social media with the hash tag **#MesaChamberGiving** so that we can find and share your posts and help promote your good deeds. You are also welcome to send your assets to us to our Director of Communications, Bob Nelson at bnelson@mesachamber.org.

With the challenges 2025 has brought us, we are excited to facilitate a holiday season filled with the joy of giving and support for our community.

YOUR CHARITABLE TAX CREDIT CAN HELP SENIORS WHO NEED OUR SUPPORT

Looking for a worthy charity to invest your Tax Credit donations? Look no further! Christian Care Manor IV, part of Fellowship Square Mesa Senior Living campus, has a long-standing presence in Mesa, provides life-changing services and programs and has compassionate and skilled staff.

The Arizona Department of Revenue recognizes Christian Care Manor IV as a Qualifying Charitable Organization. If you own Arizona state income taxes, your donation can benefit Christian Care Manor IV Assisted Living and receive a Tax Credit at no cost to you.

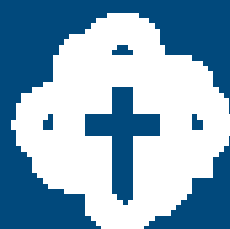

Arizona's Charitable Tax Credit allows donors to direct their state income tax withholdings to support our underserved seniors receiving medical care through the ALTO-Assisted Living program at Christian Care Manor IV. Your tax withholding dollars still count as paying your Arizona income taxes, but will be redirected to support our seniors instead of the money being used by the State government. A win for you and for our seniors! Thank you for considering Christian Care Manor IV seniors in your tax planning.

In Summary – Arizona's Charitable Tax Credit:

1. A single head of household Arizona tax filer may claim a tax credit up to \$400 on their Arizona taxes. Married couples filing jointly may claim an AZ tax credit up to \$800. A tax credit donation to Christian Care Manor IV is separate from and in addition to Arizona's Foster Care Tax Credit and Public/Private School Tuition Tax Credit.
2. No need to transfer deductions on your AZ tax return.
3. For tax filing purposes, use Arizona Form 301.
4. Deadline for donations – April 15th of each year.
5. This information is not intended as a substitute for professional tax advice.
6. For your convenience, our Arizona Qualifying Charitable Organization (QCO) code and Tax Identification # is as follows: Christian Care Manor IV – Tax Identification #—84-0418076, QCO— 840419

You get to choose where the government spends your tax money. You either pay your withholding taxes to the state or you can direct them to help Christian Care Manor IV provide healthcare services to low-income seniors.

12 Books Program

IRS 501c3 | Arizona Non Profit

The 12 Books Program is a children's literacy initiative of Mesa United Way that helps to improve literacy among elementary-school children in Mesa through free book distributions, tutoring, and family engagement.

Financial and in-kind donations make it possible for us to increase disadvantaged children's access to resources that are crucial for their literacy development and success. Children living in poverty who are not proficient in reading by 3rd grade are three times less likely to graduate from high school than their peers from middle and high-income homes. The amount of age-appropriate books in a child's home and the amount of time children spend reading are critical factors in their literacy development. Donations make it possible for 12 Books to provide these important resources to children in need in Mesa.
