WHO'S BEHIND THE MESA PITCH

The Mesa Chamber of Commerce is the creative force behind the Mesa Pitch. As an organization with both 130 years of event organizing history and innovative entrepreneur programming such as the Green Flag Mesa Program, Capital Opportunity Program and more, the Chamber is strongly positioned to move the dial and foster a creative class of entrepreneurs in Mesa.

THE MESA PITCH EVENT

Billed as “Shark Tank meets TED Talk”, six contestants each get to give a three-minute pitch to a set of five judges for their business concept in front of a live audience. The judges are given an additional three minutes to compile scores for each presenter.

The event is hosted by an Emcee to introduce each “pitch contestant”, the judges and sponsors through the evening. It will be an uplifting, positive evening with between pitch music and lights showcasing Mesa as an entrepreneur center.

The top three businesses receive a cash prize and a suite of products and services provided by sponsors.
